

Breakfast Hike and Family Camp at Camp Mack

Take a look at the stars tonight. Have you ever wondered what it would be like to travel in space on a rocket? Wait, what's that in the garden? A snake or was it a something else? This year's family camp and breakfast hike can help you identify that amorphous shape in the yard with a presentation from Forgotten Friend Reptile Sanctuary. We'll also get you started on your intergalactic travel with model rocket launches. And Middle Creek Search and Rescue will be there to help you find your way. Registration is \$5 per person per event, \$10 per person for both events. For those camping Friday night a short set of skits and ice cream are provided for your enjoyment. We'll have breakfast for everyone Saturday morning. Be sure to register using the form below! Please return Registration form to the Council Office by September 26th, 2008.

Family Camp and Breakfast Hike
