Volunteers Needed!

TIGER DEN LEADER

It looks like we'll have two new Tiger Dens this year!

Bill Copeland has already volunteered to lead one of the dens, but we need to find a willing parent to act as Den Leader for the other den right away!

We'll talk about this to-night! You'll get plenty of training and support from the existing leaders.

PACK TREASURER

We are actively seeking a new Pack Treasurer. We would like to fill this position as soon as possible while our existing Treasurer, April Norman, is still available to provide on-the-job training and continuity.

If you can balance a check-book, this job could be for you! Please see Melonni if interested.

ASSISTANT CUBMASTER

We're looking for someone to help run Pack meetings and other program activities.

No prior experience is required. Ability to make a fool of yourself or singing off-key are helpful skills for this position.

This is a two-year commitment. Please see Mike Newman.
